

## Give Your Family & Friends a Gift that is Truly in the Spirit of Giving; A Contribution in Their Name To Help a Baby or Child At Providence House

Providence House, Ohio's first licensed crisis nursery, provides a safe haven for babies and children who are at risk of abuse or neglect due to a family crisis.

Providence House offers **an around-the-clock crisis intervention program** that provides an immediate, voluntary placement solution for over **200 infants and toddlers each year BEFORE** abuse or neglect occur. - 50% of families were homeless
- One in three children has a caregiver with a medical crisis
- One in eight children has a caregiver affected by a mental health crisis
