Providence House

Every child is your child.™

Providence House fights to end child abuse and neglect by protecting at-risk children, empowering families in crisis, and building safer communities for every child.

Child abuse and neglect is a harmful and costly epidemic.

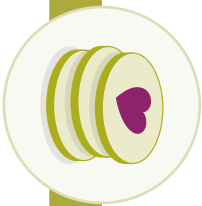

- 12.5% of children experience a confirmed case of maltreatment by their 18th birthday.
- Over 30,000 children in Ohio experience child abuse or neglect every year.
- The average lifetime cost for one victim of child maltreatment amounts to over \$200,000, and over \$80 billion nationally every year.

Child abuse and neglect erodes the wellness, social and economic health of our community.

- 75% of high school dropouts have experienced abuse or neglect.
- Child maltreatment increases use of alcohol and drugs by the time children are 14 years old by two- to threefold.
- 80% of violent juvenile and adult prisoners were raised in violent homes.
- 30% of children who suffered from abuse or neglect will later abuse their own children.

Children who experience abuse and neglect are at a heightened risk for negative health outcomes.

- There is a 73% increase in risk of developing asthma for maltreated children.
- 80% of 21 year olds abused as children meet the criteria for at least one psychological disorder.
- Children who suffered maltreatment are 36% more likely to be obese in adulthood.
- Children who were physically abused are 45% more likely to develop heart problems later in life.

Support

The level of contributions we receive directly impacts the number of children we are able to serve each year.

Visit [provhouse.org/donate](http://provhouse.org/donate) to make a gift today!

Donate Items

While monetary donations are sincerely appreciated, we do have critically needed items on our wish list.

 You can also give items directly through our Amazon Wish List. Your much needed gift will be delivered directly to us.

Learn more at [provhouse.org/donate/donateitems](http://provhouse.org/donate/donateitems)

Volunteer

We depend upon volunteers to support our children, our events, and an array of projects and services through the year. See how you can help the babies and children of Providence House with the gift of your time, talent, and energy at [provhouse.org/volunteer](http://provhouse.org/volunteer)

Attend an Event

Join us for one of our events this year, or consider hosting your own! [provhouse.org/events](http://provhouse.org/events)

Every Child Ohio

Ensure that every child in Ohio has access to a place like Providence House.
