

LEMONADE Love

A chance for even the youngest members of our community to make a difference for babies and children in crisis!

Hosting a Lemonade Love fundraiser is a great opportunity for school-age children to help give back during the summer months and earn service hours with their family, troop, club, and other organizations!

🍋 HOW IT WORKS 🍋

You can use our Lemonade Love Tool Kit to host an **in-person Lemonade Stand** to collect donations to support the children of Providence House **OR** head online to create a **Facebook Fundraiser** or share our donation link on **Social Media**.

♥ WHO IT HELPS ♥

All proceeds will be donated to help provide loving care to the **hundreds of babies and children newborn through age 12** who will stay in Providence House Crisis Nurseries this year! Providence House provides free, voluntary emergency shelter to children whose families are experiencing crisis so they can prevent foster care placements and stay together – 99% of our families do!
